

# SÃO PAULO SCHOOL OF ADVANCED SCIENCE ON OCEAN INTERDISCIPLINARY RESEARCH AND GOVERNANCE

13 to 25 August 2018, São Paulo, Brazil

Given the complexity of current environmental challenges, the interdisciplinary approach to science has gained increased awareness and use in the global scientific research community. The São Paulo School of Advanced Science on Ocean Interdisciplinary Research and Governance will gather a critical mass of young scientists to discuss scientific knowledge of relevance to society.

**Audience:** Graduate students (Masters and Doctoral course).

**Application deadline:** 15 March 2018.
